100% natural astaxanthin from algae, grown with respect for nature in a Biosecure zone.

Description

100% natural astaxanthin

100% natural astaxanthin from algae, grown with respect for nature in a Biosecure zone. The astaxanthin comes from a pure process without water pollution or use of harmful pesticides so that an astaxanthin is obtained of the very highest quality and purity. BioAstin contains as much as 4 mg of natural astaxanthin per softgel.
. Vitamin E helps protect cells against oxidative stress.

Daily intake

Take 1 to 3 softgels per day, preferably with meals.

Do not exceed the recommended daily dose. BioAstin is a dietary supplement and should not be used as a substitute for a varied, balanced diet and a healthy lifestyle. Store in a cool and dry place. Keep out of the reach of children. Consult your doctor or pharmacist before use in case of pregnancy or lactation. Not suitable for infants, children and adolescents under 14 years of age.
